Kona Kai Picket Line!!!

Come and join the workers of the Kona Kai to let management know that a contract without job security is completely unacceptable!

**When: Tuesday, May 1, 2007,
4:30pm – 5:30pm**

**Where: 1551 Shelter Island Dr.
San Diego, CA 92106**

What: The workers of the Kona Kai Resort are in contract negotiations with management. And while some progress has been made, the hotel refuses to agree to successor language that ensures job security in the case of a sale. This is a crucial aspect of a good contract and the workers will settle for nothing less.

Contact: For questions and up-to-date information about the rally, contact Graham Forbes at 619.516.3737 x 323, or graham_here-30@sbcglobal.net
